A truly historic event

Begin your future together in an exclusive location with a rich, historic past. Originally built as a knitting mill in 1881, the property has been elaborately renovated to retain its former architectural character. Today the Millcroft Inn & Spa boasts 52 individually decorated guestrooms among three distinct buildings, a four-diamond restaurant where guests can savour exquisite local cuisine while overlooking a picturesque millpond, plus a 9,000 square foot world-class spa.
