CONFERENCE SERVICES

Vintage Hotels are an ideal setting for any business function or event. The three properties offer a combined 35,000 square feet of meeting space, with rooms ranging from 300 to 4,700 square feet, and 374 guestrooms. A complimentary shuttle service is available between the hotels. A professional conference service team works with clients from the earliest stages to plan every detail of a business function, and remains onsite during the function to ensure the success of every event.

Small executive meetings thrive in the Victorian elegance of Prince of Wales while staff retreats flourish in the relaxed ambiance of Pillar and Post. The Grand Georgian Ballroom at Queen's Landing accommodates seating for up to 400. Business amenities at all locations include extensive staging and multimedia capabilities, 24-hour business centre, and high-speed wireless Internet access.

A world-class culinary team creates superb group menus, ranging from classic barbecues to special wine-pairing dinners featuring the renowned vintages of the Niagara Region.

When work is over, groups can enjoy unparalleled opportunities for rest and relaxation. Vintage Hotels' two unique and luxurious spas offer a wide variety of treatments. All properties have excellent fitness facilities, with a heated saltwater swimming pool in each hotel.

Companies seeking innovative ways to motivate personnel can take advantage of health- and fitness-oriented options available for high-performance meetings, conferences, and corporate retreats. The Niagara Region offers a great diversity of cultural and recreational pursuits, perfect for custom team-building activities. CELEBRATIONS

Vintage Hotels provide not one, but three locations for memorable celebrations. The hotels combine the magic of Old World sophistication with the gracious personal service of a dedicated staff and spectacular natural surroundings. Special event coordinators ensure that memories of family reunions, anniversaries, bar mitzvahs, retirement parties, and weddings will be treasured for a lifetime.

Event specialists work with clients from the very beginning and each step of the way to make sure that every detail reflects their unique personalities and wishes. On the day of events, staff are on hand to ensure that the day unfolds to perfection.

Events can be held at one location, or mixed and matched to take advantage of all three spectacular properties. Guests can enjoy the exquisite Victorian details of Prince of Wales, the enchanting country setting of Pillar and Post, and the sweeping grand staircases and stately elegance of Queen's Landing.

Whatever the guest list, one of three award-winning culinary teams will create a delectable, original menu, on or off site—on site, intimate dinners at Prince of Wales' Escabèche Restaurant, magnificent banquets in the Grand Georgian Ballroom at Queen's Landing, and charming outdoor regionally-influenced lunches at Pillar and Post.

Event guests can surrender to serenity at two exquisite spas: 100 Fountain Spa at Pillar and Post and Secret Garden Spa at Prince of Wales. Both spas offer a wide range of therapies and programs with a focus on a holistic approach to health, skincare and overall well-being. An expert team of highly trained aestheticians and registered massage therapists are primed to pamper, restoring the harmony of body and soul. A spa concierge guides in selection of treatments while an on-site fitness consultant is dedicated to helping guests improve their health. The recently renovated 100 Fountain Spa features a stunning manicure and pedicure salon with six chairs featuring built-in massage and air-jetted, hand-blown glass bowls plus six manicure stations—perfect for pampering bridal parties or conference groups up to 12.

For weddings, luxurious bridal suites are available, with fireplace, jacuzzi, and king-size four-poster bed. Champagne and strawberries make the special day last a little longer.
