# The Millcroft 100-Acre Challenge

---

The Millcroft Inn has created a complimentary outdoor team building activity for your corporate group that takes approximately 45 minutes. The group is divided into teams and they explore the beautiful natural surroundings of the historic Millcroft property whilst completing a unique challenge!

This game is designed to spark people's creativity and motivation to win. Each team is given a list of missions, some may need photo evidence, some require answers to riddles - this game is time sensitive so there is no room for dilly-dallying! The missions will take you around the property and show you some of our many 'hidden gems'.

With more than enough Missions to accomplish in 45 minutes, the teams will choose strategically which missions to complete. For example, take the whole team up to the beautiful pinnacle and take a team picture, everyone must be in the shot! - worth 1,000 points. It may be worth more but it will take longer! Some Missions are very specific, forcing teams to pay attention to details and be precise, just as in the workplace!

When the teams return after 45 minutes, one member from each team will come up to the front to present the answers and proof. The groups will be encouraged to share on social media with each other, and tag us.

This complimentary team activity is offered to overnight corporate groups Monday to Friday, from 9 AM to 5 PM during daylight hours, and is suitable for up to 30 guests. Please inquire if your group exceeds these numbers. Seasonal weather conditions may limit the ability to offer the activity.
