In Caledon, when groups are not in meetings, groups can participate in innovative team building activities from wine tasting or scotch nosing to themed dinners, golf, leisure or cultural activities. Activities such as stretch breaks and energizer breaks, fitness and wellness seminars, early morning guided walks, and healthy team-building activities encourage greater creativity and productivity among meeting and conference attendees.

Celebrations

Special occasions require special venues. Vintage Hotels provides an extraordinary selection of venues over five properties in three distinct locations – picturesque Niagara-on-the-Lake, the scenic countryside of the Village of Alton-Caledon and the tranquil and private Jordan Village.

Three hotels in Niagara-on-the-Lake combine the magic of Old World sophistication with modern day comforts. Guests can enjoy the exquisite Victorian details of Prince of Wales, the enchanting country charm of Pillar and Post, and the sweeping grand staircase and stately elegance of Queen's Landing. Events can be held at any one location or separated to take advantage of all three spectacular properties.

Set among the rolling hills of Caledon, Millcroft Inn & Spa is the definitive country retreat. Perfect for memorable events in a natural relaxed atmosphere, Millcroft provides a spectacular setting for making precious memories.

The Inn On The Twenty offers a boutique retreat in Jordan Village that provides exclusive elegance in wine country. The venues here offer stunning views whether your creating memories in the vineyard or the elegant Windows on Twenty event space.

At all Vintage Hotels, guests can rely on the gracious personal service of dedicated staff. Special event coordinators ensure that memories of family reunions, anniversaries, bar mitzvahs, retirement parties, and weddings will be treasured for a lifetime.

Event specialists work with clients from the very beginning and each step of the way to ensure that every detail reflects their unique personalities and wishes. On the day of events, staff are on hand to ensure that the function unfolds to perfection.

Whatever the guest list, one of four award-winning culinary teams will create a delectable, original menu, on or off site. On site, intimate dinners at Prince of Wales' Noble Restaurant, magnificent banquets in the Grand Georgian Ballroom at Queen's Landing, and charming outdoor regionally-influenced lunches at Pillar and Post are served. At Millcroft, gatherings feast on exquisite cuisine while overlooking the millpond or its cascading falls. At Inn On The Twenty, event guests dine with breathtaking views of the Twenty Valley.

For weddings, luxurious bridal suites are available, featuring a cozy fireplace, jetted tub, and a king-size four-poster bed. Champagne and strawberries make a special day last just a little bit longer.
