### TEAM BUILDING TASTING EXPERIENCES

#### JENGA & WINE: Q&A

*60-90 minutes | 8-25 people | \$55 per person*

Play this fun game in an incredible group challenge while enjoying sipping on some Cave Spring wine and nibbling on delicious charcuterie. Your group will be divided into two teams and get ready to challenge each other. Each team picks one member to slide off a block while answering a wine related question. If the player answers the question correctly and slides off a block successfully, all within one minute, their team will get a point. If the player effectively slides off the block but doesn't answer the question correctly, or vice-versa, their team loses a point. Multi-tasking is your only ally! The player cannot get help from other team members. The team with the most points when the tower crashes wins the game.

#### VINO PICASSO

*90 minutes | 8-25 people | \$55 per person*

Our take on the classic, ultimate party game 'Pictionary', this quick-draw classic is a great team-building exercise as well as a ton of fun! Break into teams of three or more and each team will be given a wine related word that is familiar to everyone. The drawer chooses a card out of a deck of special Cave Spring Wine Pictionary cards and draws a picture that suggests the word printed on the card. The pictures cannot contain any numbers or letters, nor can the drawer use verbal clues about the subject he/she is drawing. The teammates try to guess the 'wine word' the drawing is intended to represent within a two minute time period. The group will enjoy wine tastings and yummy bites from On The Twenty during the game to make the challenge even more pleasurable!
