

VINTAGE HOTELS

In 1997, three top landmark hotels in Niagara-on-the-Lake joined together to create a new standard of elegance and sophistication in the region. Since then, Vintage Hotels (formerly known as Vintage Inns) has worked relentlessly to turn these magnificent properties into destinations for the most discerning travelers. In 2008 the grand vision expanded with the addition of Millcroft Inn & Spa, in the Village of Alton-Caledon. In 2017, the Inn On The Twenty in Jordan Village became a welcome addition to the collection.

The Niagara-on-the-Lake collection of three hotels provides 372 guestrooms, over 30,000 square feet of meeting space and three restaurants. The two award-winning spas, Secret Garden Spa and 100 Fountain Spa, indulge visitors with a wide selection of services to soothe body and soul.

Offering classic style with a modern sensibility, the three properties are jewels in the crown of the Niagara region. Prince of Wales captures the elegance and refinement of the Victorian Age; Queen's Landing provides the perfect environment for everything from family vacations to high-level corporate gatherings in a spectacular Georgian-style mansion; while Pillar and Post is a classic country inn that offers all of the luxuries of a modern property and appeals to the entire family.

In the Village of Alton-Caledon, less than an hour's drive northwest of Toronto, lies the Millcroft Inn & Spa. The Millcroft offers 52 guestrooms, 4,700 square feet of meeting space, a restaurant and the renowned Millcroft Spa, Centre for Well-Being in a stunning countryside setting complete with 100 acres of protected forest and Shaw's Creek. Perfect for couples, groups, and girlfriend getaways, Millcroft Inn & Spa is the definitive country retreat in Toronto's backyard.

Situated in Twenty Valley wine country, the Inn On The Twenty offers 28 guest rooms, 5,694 square feet of meeting space, a farm-to-table restaurant and Spa On the Twenty. A top destination for weddings, romantic getaways and cycling tourism.
