Premium Imports from...

Belgium

Chimay Red – Belgian Dubbel 7% ABV | 750ml \$28

An authentic Trappist beer, Chimay Red is a copper-tinted brown ale that combines generous fruit flavors with toast and sweet caramel. Chimay Red is the oldest of Chimay's beers (brewed since 1862), hence its title of Premiere and the prominent 750ml bottle.

Chimay Blue – Belgian Strong Ale 9% ABV | 330ml \$12

An authentic Trappist beer, a strong dark brown beer with fruity, chocolate, and spicy aromas culminating in a delicious candied fruit finish. Originally brewed in 1954 as a Christmas beer, it quickly became a reference in the Chimay range.

Chimay Gold – Belgian Enkel / Patersbier 4.5% ABV | 330ml \$12

An authentic Trappist beer brewed from very similar ingredients as the Premiere but paler and spiced with coriander. Originally intended to be only consumed by the abbey monks or at the nearby Inn associated with the abbey.

Delirium Tremens - Belgian Tripel 8.5% ABV | 330ml \$12

A strong pale golden ale with a sweet and spicy nose. A bold body of candy liqueur sweetness is expertly balanced by a soft mouthfeel and warming alcohol. Finishing with a rounded, sustained, and dry bitterness.

Averbode Abbey Ale– Dry-hopped Blonde Ale 7.5% ABV | 330ml \$12

Golden in colour with a fine head, on the nose the beer is very floral with green apples and a hint of sweetness and delicate hop aroma. Full bodied with a pleasant hop character and a hint of sweet malt, finishes with a fresh, rich bitter aftertaste.

Duchesse de Bourgogne – Flemish Red Ale 6.2% ABV | 330ml \$12

Traditional Flemish red ale. This refreshing mixed fermentation ale is matured in oak casks; smooth with a rich texture, an interplay of sweet and tart notes, with a long dry, acidic finish.

Mongozo Organic Pilsner - Pilsner 5 % ABV | 330ml \$9.5

This Organic and Fair-Trade Pilsner is a clear pale gold with fruity notes and honey sweetness. A crisp, dry, and refreshing finish.

Germany

Erdinger Weissbier – Hefe-Weizen 5.3%ABV | 500ml \$13

The Erdinger weissbier is the flagship beer of its brewery. A fine champagne-like mouthfeel and full aroma is created during a 3-4 week-long secondary fermentation in the bottle or keg. This time-consuming procedure is the pride of Erdinger and has been a statement of quality since the very beginning.

Erdinger Alkoholfrei - Non-Alcoholic = 0.4% ABV | 341ml \$8

Light chestnut in colour with lively effervescence, almonds, and coffee on the nose. Flavors of caramel combined with a touch of roasted spice and mild chocolate notes lead to a dry and thirst-quenching finish.

WINE

SPOTLIGHT ON WILD-FERMENTED WINES

Wild fermentation wines are the result of winemakers removing most of the artificial processes involved in producing a bottle of wine. The idea is to let the natural process of winemaking take over, to interfere with the fermentation process as little as possible. While this process is more time-consuming, the resulting wines are often more complex, textured, and layered. (Wines are highlighted in **RED**)

ENOMATIC WINES

We taste a lot of wine here at the Pillar and we are excited to offer a selection of wines from smaller local winemakers, luxury imports, or just wines we find cool and exciting. Our Enomatic makes this possible.
